

Parent Right to Know Information as Required by Elementary and Secondary Education Assistance (ESEA) [Section 1112(e)(1)(A)] Every Student Succeeds Act (ESSA) [Section 1112(e)(1)(A)]

August 2017

Dear Families,

Harmony Area School District receives Federal Title I funds to assist students in meeting state achievement standards. Throughout the school year, we will be providing you with important information about this law and your child's education. This letter lets you know about your right to request information about the qualifications of the classroom staff working with your child.

As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

The Every Student Succeeds Act (ESSA) which was signed into law in December 2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA) includes additionally right to know requests. At any time, parents and family members can request:

- Information on policies regarding student participation in assessments
- Information on required assessments that include: subject matter tested, purpose of the test, source of the requirement (if applicable), amount of time it takes students to complete the test, and time and format of disseminating results.

If you have any questions about this information, please contact us at **814-845-2300**.

Sincerely,

Mrs. Michelle Shirk, K-12 Principal Mr. Darren McLaurin, Director of Federal Programs.
