Stuart Albaugh

Accidents and Near-Misses

Discussion concerning traffic safety issues around the corners of the gym and the possibility of installing stop signs.

Old Business

Minutes of January 29, 2018 meeting approved, motion by Mark Gobert, second by Doug Rake

New Business

Report on the fire alarm system by Mr. Kitchen. A faulty sensor was causing a false reading in an air handler unit in the gym. MVS was on-site and cleaned and re-installed the sensor and ordered a new sensor. The system is operational. There was discussion about updating MVS call/contact information and also updating some of the electrical components of the system.

Other Items

Discussion on CPR certifications and renewals
Safety training will be scheduled for the April 2018 meeting.

Next meeting

March 2018
