Mr. Doug Martz did a presentation on ALICE for all district employees in the LGIA.

ALICE ([Alert, Lockdown, Inform, Counter, Evacuate](#)) Training instructor led classes provide preparation and a plan for individuals and organizations on how to more proactively handle the threat of an aggressive intruder or active shooter event. Whether it is an attack by an individual person or by an international group of professionals intent on conveying a political message through violence, ALICE Training option based tactics have become the accepted response, versus the traditional “lockdown only” approach.
